

## COVID-19 vaccination for children aged 12 to 15 years of age

Dear Parent / Carer

I am writing to inform you that we will soon be offering COVID-19 vaccinations in school to all students aged 12 - 15 years. If your child will be aged between 12 and 15 on the 8th October 2021, I would like to ask if you wish to give your consent for your child to receive a first dose of the vaccine.

This vaccination will be free of charge and our highest priority is making it easy for children to access one dose of the vaccine before the winter.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Once we have your consent, we will schedule the vaccination appointment. This will take place during during school time.

**Please indicate your consent by completing the attached form. This should be returned to the school's main office by Friday 1st October. Please complete the form even if you do not wish your child to have the vaccination and indicate that you do not give consent. This will help the school in their planning.**

By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading. Best wishes,

**Juliet Brown**  
**Programme Director, COVID-19 Vaccinations**  
**North West London CCG**
