Days and months

The date in the past and the future

To ask what the date will be tomorrow, you need to use the future tense. **On sera** means 'will be':

- **Quelle sera la date de demain?** - What will the date be tomorrow?

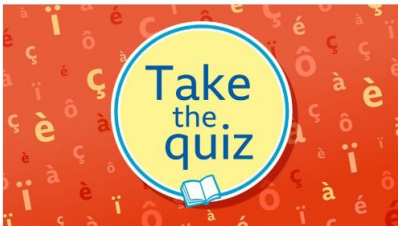

To reply, again use the future tense and then give the day or date:

- **Demain, on sera le ...** - Tomorrow will be...
- **Demain, on sera le dimanche vingt-neuf juillet** - Tomorrow will be Sunday, 29th July.

If you want to ask what the date was yesterday, use the imperfect tense **était** (was):
