Learning Point 1

What is a virtual parents' evening?

What is a virtual parents' evening?

Parents' Evenings are an important event in the school year and provide you with an opportunity to discuss your child's current progress and achievements.

Although the current pandemic will prevent us from holding these evenings in the normal way, we would like to offer you the opportunity to discuss your child's progress with their teacher via an

How will it work?

Parents will be asked to log into their School Cloud account

Appointments will be made with subject teachers prior to the event date

On the evening, at the time of the appointments, you will be connected with the subject teacher

Appointments will last 6 minutes and then you will automatically connected to your next meeting

Learning Point 2

How to successfully access
the *SchoolCloud* portal

What is *SchoolCloud?*

SchoolCloud Systems is a multi-award winning software company providing the Parents Evening System.

The Parents Evening System is the market leading online appointment booking software allowing parents to book online to see their child's teachers at the parents' evening.

It can be accessed on mobile phones, laptops, computers.

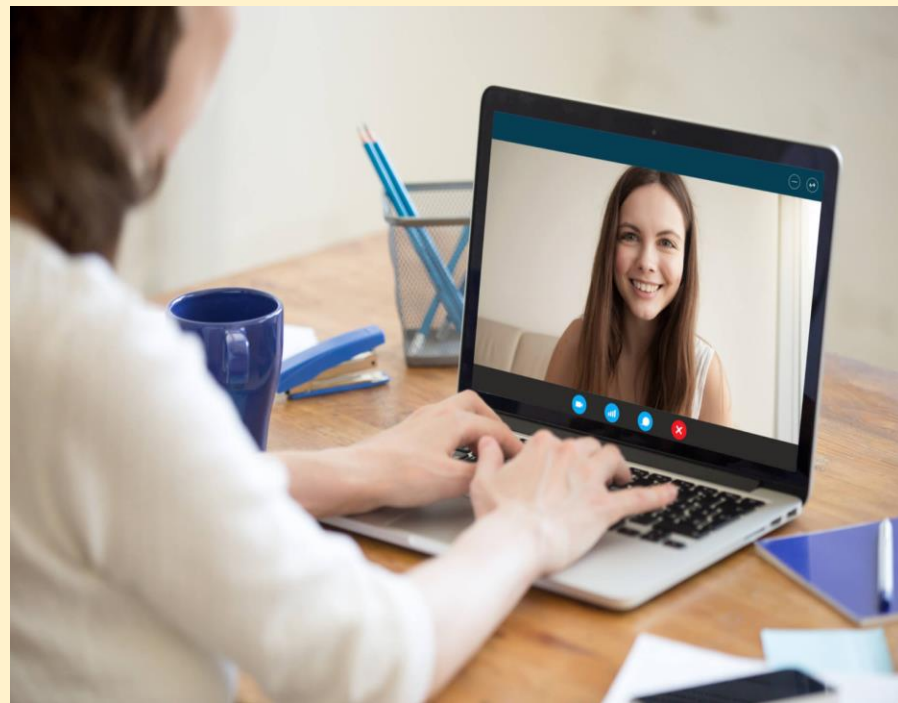

How to access School Cloud

Watch the tutorial, by clicking on the link to find out more information about how to log into your School Cloud account and how to access your meetings

If you have trouble logging in, please check the email sent to your child's Northolt High email for the details we have on file for you

Learning Point 3

How to get the most of the interviews with subject teachers

Teachers' feedback

Teachers' feedback will focus on three key areas;

- Current progress
- Gaps in learning identified
- Support strategies for home

What can I do during the meeting?

Have your child's **academic report** to hand as the teacher will be making reference to this

Keep notes about what is being said regarding gaps in learning so that moving forward you can reinforce these as the key areas your child should focus on

Find out what **resources are available to support learning** and where to access
