30th October 2020

Dear Parents / Carers

Tell us if your child or anyone in your household tested positive for coronavirus during the half term holiday period

I hope that you have had some time to rest during the half term holiday period. This letter is a reminder that it is essential that you tell us if there have been any positive cases of Covid-19 in your household during this time.

If your child or anyone in your household was tested for Covid-19 during half term and the test result was positive, please email us to let us know at help@northolthigh.org.uk. Please also follow national guidance about self isolation.

If you are awaiting results of a Covid-19 test which was taken during the half term break for your child or for a member of your household, please also email us to let us know at the above email address. You will also need to follow the national guidance about self isolation.

Thank you in advance for your support with this.

With best wishes

Yours sincerely

Marion Budd
Headteacher
