17 March 2020

Dear Parents / Carers

I'm writing to you because your child has been absent from school today. This may be because your child is unwell or because you are following the latest Government "stay at home" guidance with respect to the Coronavirus.

We have today put some school work onto our website so that students who are at home and well enough to work are able to do so. Please go to the [Attendance page](#) of our website and follow the link "Coronavirus and Self Isolation". You will find the following information which I hope will be useful for you:

- links from the Government to advice for families who are staying at home;
- work for students in each year group.

Please get in touch with us if you need any further assistance.

Yours sincerely

Marion Budd
Headteacher
