Dear Parent/Carer,

I am writing to update you on the arrangements regarding the national free school meal vouchers which you have confirmed you would like to receive by email on a weekly basis during the extended school closure.

So what will happen next? You will shortly receive your first 16 digit **ecode**. You'll need this code to access www.freeschoolmeals.co.uk and choose your supermarket eGift card. You cannot use the eCode directly with the retailer, it must be exchanged for an **eGift card**. Each supermarket has their own eGift card. To order your eGift, redeem your eCode at www.freeschoolmeals.co.uk. The *eGift card* will be sent to the email address entered during check-out and can be spent in store at the chosen supermarket.

Edenred are the company that will be providing our eCodes. I have linked their [Frequently Asked Questions - guide for Parents and Carers](#) for you to refer to should you have any questions regarding the process by which you either exchange your *ecode* or redeem your *eGift card*.

If you have not received your *ecode* to your confirmed email address by Tuesday 14 April, or if you have any further questions regarding the scheme, which the guide linked above is not able to address, please email us at help@northolthigh.org.uk from your confirmed email address.

Many thanks for your support in this regard. I hope that you and your family are keeping safe.
