Dear Parents and Carers

### **New work for Year 11 students to complete during school closure period**

I am pleased to be able to share with you our latest work for students in Year 11. All of this work is relevant for the subjects they will be studying next academic year. We have collected information from students about their intended courses and have created preparatory work for each course that students have applied to study. The work in these workbooks provides students with an excellent opportunity to use the time they have between now and September preparing for their studies next year.

We have created three booklets of work for students which are available on our website:

- Preparatory work for A Level courses - this booklet is [here](#);
- Preparatory work for BTEC Level 3 courses - this booklet is [here](#);
- Preparatory work for Vocational courses at Levels 1 and 2 - this booklet is [here](#).

We have emailed these booklets to all Year 11 students today. Please encourage students to complete this work. All students who are studying level 1 and 2 courses should also complete the English and Mathematics work which is featured in the last pages of the Level 1 and 2 booklet.

If your child has decided that they would like to study a course which is not listed in these booklets, please email [help@northolthigh.org.uk](mailto:help@northolthigh.org.uk) to let us know. We will then add materials for this course to the appropriate booklet.

Thank you in advance for your support. I hope that you and your families are all well.

With best wishes

Yours sincerely

Marion Budd  
Headteacher
