Dear Parents / Carers

£15 half term food vouchers for Ealing children entitled to benefits related free school meals

I am delighted to let you know that Ealing Council are offering to provide food vouchers for children who are eligible for Free School Meals to cover the half term period. To access these vouchers, which are worth £15 per child, families need to fill in this [form on the council's website](#) which has been set up to cover the half term period.

As well as making vouchers available, the council has already agreed to provide a further £50,000 to Ealing Food Bank to support its work to help families in poverty.

Food vouchers will be processed and issued to families. Parents who are in need of immediate help for their child may alternatively be referred to Ealing Foodbank through the same application process.

If you are experiencing financial hardship and need further assistance, you can also make a full application for local welfare assistance. For further details of this scheme, please click [here](#).

As always, if there is anything we can do at school to support you, please let us know.

With best wishes

Yours sincerely

Marion Budd
