Dear Parent/Carer,

I am writing to update you on the arrangements regarding the national free school meal vouchers which you have informed us you would like to have posted to your confirmed address during the extended school closure.

So what will happen next? You will shortly be receiving by post, to your confirmed address, the first of your weekly **eGift cards** made out to the supermarket you have chosen, which you will then be able to spend in store. Where we have not been able to get hold of you to confirm the supermarket, we have selected the one closest to your confirmed address.

Edenred are the company that will be providing our eGift cards.. I have linked their [Frequently Asked Questions - guide for Parents and Carers](#) for you to refer to should you have any questions regarding the process by which you redeem your *eGift card*.

If you have any further questions regarding the scheme, which the guide linked above is not able to address, please email us at help@northolthigh.org.uk.

Many thanks for your support in this regard. I hope that you and your family are keeping safe.
