Dear Parent / Carer

Provision for students who have Free School Meals during the national school closure

As you will be aware, on 18th March 2020 the government announced a nationwide closure of schools from 23rd March onwards. During this closure schools are continuing to make provision for students who are entitled to free school meals.

The immediate arrangement we have made from Monday is as follows:

If your child usually receives a free school meal they can come to school and collect a packed lunch to take away with them each day. Students should arrive at Gate B between 12:30pm and 1:00pm starting from Monday 23rd March.

We will keep you informed about this provision as the Government are developing a voucher scheme which may replace the system we have put in place.

If you have any questions about this provision, please contact us on the main school telephone number or by emailing help@northolthigh.org.uk.

With best regards

Marion Budd
