10 June 2020

Dear Parents and Carers

### **Wider opening of Northolt High School to students in Years 10 and Year 12**

As you know, the Government has asked all secondary schools to open to a wider group of students from June 15th 2020. This is to enable students in Years 10 and 12 to have "some face to face contact" to supplement their learning at home.

We have been advised that the main form of learning for all students in all year groups for the remainder of this term will be online learning / learning at home. We are only able to invite a quarter of students in Years 10 and 12 into school on any one day, so it is clear that we are not 'returning to normal' in terms of our provision.

We will be providing support to students in three phases this term:

1. **Phase One** - all students will be invited in for an academic mentoring appointment. These appointments will be held in the North Hall. Students will be invited in groups of 11 at a time, with the hall being cleaned after each group has departed. These appointments will be between Monday 15th June and Monday 22nd June.
2. **Phase Two** - we will invite some students in for supplementary learning in different subject areas. This will either involve small group lessons (with a maximum group size of 8) or larger sessions with students in one of our school halls (a maximum of 30 students can be accommodated with 2m distance between desks).
3. **Phase Three** - we will invite some students in for supplementary learning in practical subjects.

Letters have gone in the post to all Year 10 parents today informing you of your child's appointment times. Year 12 appointments will be on Monday 22nd June and letters will go out early next week confirming these times.

We are also emailing students with details of their appointment times. Please encourage your child to check for this email.

We will write to you with details of Phases Two and Three as these are confirmed.

Thank you in advance for your support.

Yours sincerely

Marion Budd
